

Triumph Over Trauma

Dear Potential Partner,

We invite you to join us in a one-year sponsorship commitment, as we embark on a journey to bring healing and hope to our community and nation through the power of Christ's love.

We are thrilled to announce the launch of our nonprofit, Triumph Over Trauma. Our mission is to serve as the hands and feet of Christ, dedicated to transforming lives one day at a time.

Our motto, "People don't care about how much you know, but how much you care," embodies our deep commitment to showing genuine care and compassion. And we do care—immensely.

In partnership with LIBERTY CHURCH OF BATON ROUGE and under the guidance of Apostle Robert Maxie Sr., we have been blessed with the opportunity to utilize a building where we can offer a range of essential services. These include providing food, daily supplies, clothing, and household items at no cost. Additionally, we will offer hot meals and showers weekly for the homeless, as well as local assistance with job applications, interview preparation, and counseling services for individuals, families, and groups.

While we have a dedicated team of volunteers ready to serve, we are seeking financial support to sustain and expand our efforts. We are currently applying for grants and state funding, but we also need immediate help. We humbly request your consideration of a monthly donation of \$100 or any amount you are able to contribute for one year. Your generosity will be deeply appreciated and will make a significant impact.

As a 501(c)(3) organization, your donations are tax-deductible, providing an additional benefit for your support.

Your contributions will be vital in covering rent, utility bills, and essential equipment like refrigerators, deep freezers, washers, and dryers, ensuring we can offer a clean and dignified space for the homeless to wash their clothes and receive other critical services.

We believe that with God, nothing is too hard and no vision is too big. We trust that He will supply all our needs according to His riches in glory.

Thank you for considering this opportunity to make a profound difference in the lives of those in need. Together, we can Triumph over Trauma and bring hope and healing to our community.

Warm regards,

Aminga Maxie

Triumph Over Trauma

We are requesting a pledge for sponsorship for a one-year commitment.

We are excited to announce that our nonprofit has finally come to life. We are dedicated and committed to healing our community and nation one day at a time through the power of the love of Christ. We are the hands and feet of Christ.

People don't care about how much you know, but how much you care. AND WE CARE!!

We are sponsored and supported by LIBERTY CHURCH OF BATON ROUGE, covered under Apostle Robert Maxie Sr.

We have been offered a building where we would be able to supply food, daily supplies, household supplies, clothing, and more for free. We plan to provide a hot meal and shower once a week for the homeless, local assistance with job applications and interview prep, group, family, and individual counseling, and much more.

We have volunteers, but we need help with the finances. As we are applying for grants and other state funding, we are asking everyone we can think of for a monthly \$100.00 commitment or whatever you are willing and able to donate for one year. Your donation would be greatly appreciated.

Your donation would also be a tax write-off because we are a 501(c)(3) organization.

This would help with rent and bills to keep the facility running, as well as to get the refrigerator, deep freezer, washer, and dryer where the homeless can wash clothes, while we continue to apply for appropriate grants.

There is nothing too hard for God, and there is no vision too big. For the Lord shall supply all our needs according to His riches and glory.
